

Dear Prospective Students and Families,

I hope this letter finds you healthy and safe. If you have not already done so, please read a [letter from our President](#), Melinda Hanlon, explaining the Academy's response to Covid-19 and the steps our community is taking to ensure the well-being of our students and staff. Your safety and security is also very important to us. Therefore, several upcoming events, specifically for prospective students, have been cancelled and/or rescheduled. While I am sad that we cannot welcome you to our campus at this time, we are fortunate to have the technology, flexibility and mindset to ensure our Admissions Team can continue to efficiently and effectively work with you.

Please check back periodically for ways to learn “virtually everything you need to know” about virtual admissions events and the [application process](#). In the meantime, please fill out our online [Inquiry Card](#) to receive regular reminders and updates as soon as they become available.

I look forward to meeting you in the near future!

Mrs. Michèle McGovern
