**SUMMER ACTIVITIES**

Typically we recommend several options for in person training, workouts, and games during the summer. However, given our current situation we will keep you updated with at home workouts, drills, and information until we can physically meet in person.

We will continue to update the soccer website with any necessary changes and will follow up with an email update. If you have any specific questions, please email Coach Potkulski at [bpotkulski@holyangels.org](mailto:bpotkulski@holyangels.org). Coming off of one of our most successful seasons in 2019, we are looking forward to building on our recent success in the Fall of 2020!
